

Six days a week the devil works.
 He works overtime on Sunday,
 Then he's ready once again
 To go to work on Monday.
 Now if all evil you would shun
 And keep your conscience level,
 You must begin each day at early dawn
 And work just like the devil.

Below are listed the names and service dates of the 22 bishops to whom we owe much for their untiring efforts in our behalf. Each one of them made worthwhile contributions to our development and our appreciation of the gospel of Jesus Christ.
